

CaribEx WORLDWIDE

"CaribEx Worldwide opened a new facility in the Bufalo Free Zone in Honduras, answering a client's need for a dedicated, managed warehouse operation. The client, Mt Vernon/Apollo Chemicals had a need for a mixing facility in this location and looked to CaribEx as its total logistics supplier. CaribEx personnel executed a lease and all of the government requirements to make this project a reality, providing a valuable and stable service to our customer."
